Making every surface smart.

Luidia 

Supercharge your meeting spaces.

Capture, share and stream live notes from any whiteboarding surface - straight to your favorite device. Bring those long-distance colleagues right into your meeting room, letting them see board notes live, and even participate - marking up notes remotely.

COMPLETE BOX

Multi-Charge Cradle

Charge all of your sleeves along with the Smartmarker sensor at the same time ensuring you're always ready whenever those brilliant ideas need to be shared or captured.

4 Marker Sleeves 4 Colors

With 4 marker sleeves you can capture 4 different color markers including Black, Blue, Red and Green. The Equil Smartmarker lets you whiteboard the way you want to.

Large Eraser

Capture your erasing with the large eraser or eraser cap. Erasing your marker strokes also erases the corresponding captured strokes on your device.

Don't let location limit your communication.

Equip your meeting or whiteboard space with the Equil Smartmarker Complete today.
