The ideal collaborative tool.

Collaboration Innovation

future proof classrooms

Genee World are always working hard to revolutionise schools and the stunning new 4K Touchscreen range is no exception.

4K technology provides the highest quality images available and provides users with ultra-high-definition quality, future-proofing any classroom.

Available in 3 sizes (**65"**, **75"** and **86"**) the G-Touch 4K range has been designed with an eye to the future in mind and offer speakers, 10-point touch and ease of use with the simple front-facing and side-facing buttons and connection ports which

allow for any device to be connected to the G-Touch.

With the crisp presentation display, it comes complete with Android operating system and easily accessible front-facing ports, a G-Touch 4K Touchscreen is a powerful presentation tool with the ability to make lessons come to life. It will be a revolutionary addition to schools, enabling student interaction and collaborative learning.

All of Genee's screens also come with downloadable SPARK for education and Project Flow software.

4K

4K UHD (Ultra High Definition)

The G-Touch Range of 4K touchscreens are a superb addition to teaching or presentation environments. With 4K definition 3840x2160 screen resolution our technology is transforming presentation environments.

BUILT-IN ANDROID

All G-Touch 4K models offer a full, built-in Android experience. Utilising built-in WI-FI, G-Touch 4K users benefit from a comprehensive array of Apps, and bespoke Genee Software.

SINGLE POWER CONTROL

No more fiddling around the side and back of the screen to find multiple ON/OFF buttons. All G-Touch 4K models come with a single, front facing power button which powers both the Screen and Built-In PC.

EASY ACCESSIBLE CONNECTIVITY

Our technology is built with usability in mind, and all 4K UHD models come with easily accessible connection ports, allowing users and presenters to simply 'plug and play'. With the optional add-on of MirrorOps you can mirror devices wirelessly via WI-FI.
